7th International Congress on High-Speed Photography

Because of circumstances beyond the control of the National Delegates and prospective sponsors of the Seventh International Congress on High-Speed Photography, this meeting has been postponed. The Seventh Congress is now scheduled for September 12–18, 1965, in Zurich, Switzerland.

Inasmuch as less than a year and a half remains for organizing this International Congress, authors are requested to submit titles of proposed papers directly to the National Delegate for the United States: Max Beard, 10703 East Nolcrest Drive, Silver Spring, Maryland 20903. Mr. Beard will forward this material to Switzerland, and prospective authors will be notified of any specific instructions from Switzerland when they are received.

Overseas readers of this *Journal* may contact Dr. Klaus A. Pfister, Postfach 158, Zurich 33, Switzerland, for further information.

NOTICE: The 1964 Membership Directory, announced for Part 2 of the April Journal, has been postponed to permit checking and correcting an unexpectedly large number of changes in the listings. The Directory is now planned to be issued as Part 2 of the June Journal.—ED.
