113th Technical Conference and Equipment Exhibit April 8-13, Hyatt Regency O'Hare Hotel, Chicago

Program Chairman
Hartwell T. Sweeney

The Hyatt Regency O'Hare Hotel, a brand new hotel just outside Chicago's O'Hare Airport, hosts SMPTE's 113th Technical Conference and Equipment Exhibit April 8-13.

The dates and location of the 113th were recently changed because previous planned facilities were inadequate for a meeting of SMPTE's scope. The facilities at the Hyatt are modern and comfortable. The hotel is said to be one of the finest new hotels in the country, with the best facilities in Chicago for SMPTE's Equipment Exhibit. The rooms are excellent and because of an arrangement with the hotel management, reduced rates will be in effect for Conference attendees.
