Journal of the SMPTE

The meeting was called to order by the President, as Chairman, at the conclusion of the Get-Together Luncheon. Since the Executive Director held 1031 signed proxies, a quorum was declared to be present in person and by proxy.

The Chairman read the proposed amendment to the Bylaws. Following the reading, a motion to adopt was made and seconded. A vote was taken of those present who had not submitted signed proxies and the motion was passed.

The text of the amendment and total votes (floor votes plus proxies) by which it was adopted follow:

Bylaws, Article V, Sec. 2, Subsec. C. Fellow Membership Committee

Amend to read: "The membership of this Committee shall consist of all members of the Board of Governors, the

Chairmen of Engineering Committees and the Chairmen of Sections of the Society. The Past President shall serve as Chairman of the Committee; or, if unavailable, the President shall appoint a Chairman from among the members of the Committee. The Committee may recommend persons to the Board of Governors for election to membership in the Fellow grade."

For: 1037

Against: 20

There being no other business, the Chairman called for a motion for adjournment. A motion was made, seconded and passed and the Chairman declared the meeting adjourned at 2:30 p.m.

Respectfully submitted,

DENIS A. COURTNEY
Executive Director

Erratum:

Proceedings of the Symposium on Video Cartridge, Cassette and Disc Player Systems

Erratum or oversight or whatever — this volume was published in April as a result of very great attention on the part of the Chairman for the Symposium, Stanley F. Quinn; but the assembling of the final pages was the responsibility of staff at Society Headquarters. An unfortunate omission in the assembling of final copy was the list of Chairmen and Associates who

served with Stanley F. Quinn to put on the Symposium at Montreal. They were

Walter F. Bantin, Deputy Chairman

Gerald G. Graham, Chairman, Perspective Session

Alex R. MacGregor, Chairman, Utilization Session

Lloyd C. Harrop, Chairman, Technical Session I

Eugène Prévost, Chairman, Technical Session II

Symposium Arrangements: Sandy Day, Paul Martell, Bruce M. Read, Jean L. Vandette

An announcement of the contents and description of the *Proceedings* appeared on page 262 of the March 1972 *Journal*.

A leaflet containing this information also is available from Society Headquarters.

112th Technical Conference and Equipment Exhibit Oct. 22-27 Century Plaza Hotel, Los Angeles

Anthony D. Bruno
Arrangements Chairman

Arrangements Committee

A group of "old pros" will be handling the arrangements for SMPTE's 112th Conference set for the Century Plaza Hotel in Los Angeles Oct. 22-27.

SMPTE Conference Vice-President Harry Teitelbaum had appointed Hollywood Section Chairman Tony Bruno, Eastman Kodak Co., Local Arrangements Chairman. Bruno, in turn, appointed an experienced group of men who were responsible for successfully running previous SMPTE Conferences in Los Angeles.

As an example of the kind of experience working on the 112th, Bruno was Arrangements Chairman for the last Los Angeles Conference (109th). Warren Strang, who was recently appointed Exhibit Chairman, held that post for the past five Los Angeles Conferences, going back to the 97th Conference in 1965. Among the several other committeemen who have contributed their time and energy to SMPTE Conferences three or more times are C. Carroll Adams III, Don Kloepfel, Jack Hall, Dick Sullivan, Phil Singer, and Harry Lehman.

Actually, Bruno said, it was really our intention to bring in some new people who haven't been on a conference committee before. And this we also accomplished. But for the most part, Bruno said, we've got a bunch of seasoned conference experts running this show.

The list of chairmen follows:
