

113th Technical Conference and Equipment Exhibit April 8-13, Hyatt Regency O'Hare Hotel, Chicago

Matt Herman
Arrangements Chairman

Matt Herman, Geo. W. Colburn Laboratory, Chicago, has been appointed Arrangements Chairman by SMPTE Conference Vice-President **Harry Teitelbaum**. Herman brings to this important job substantial conference expertise. He was Equipment Exhibit Chairman at the last Chicago Conference in 1970. Assisting Herman as Arrangements Vice Chairman is **Byron Friend**, Telecine Film Studio, Inc., Park Ridge, Ill. Members of the Arrangements Committee have been appointed and these persons in turn will be chairmen in charge of arrangements in specific areas. The list of chairmen follows.

Equipment Exhibit

A 62-booth Equipment Exhibit will run concurrently with the Conference. The Exhibit starts Monday, April 9 and goes through Thursday, April 12.

Exhibit Chairman **John Ehrenberg**, Bell & Howell Co., predicted that this will be one of the finest Exhibits ever held in Chicago. The hotel's facilities for the Exhibit are all first class, Ehrenberg said.

The Monday exhibit opening will take place at 5:00 p.m. with ribbon cutting ceremonies and an open house sponsored by the exhibitors. Conference registrants and holders of exhibit passes are invited.

For information and the necessary forms, prospective exhibitors should write to Exhibit Committee, SMPTE, 862 Scarsdale Ave., Scarsdale, NY 10583.

Call for Papers

The deadline for submitting Author Forms, Synopses of Papers and Author Information Sheets is January 29. However, late papers can be accepted if there is still room in an appropriate session. Chairman of the Papers Program is **Hartwell T. Sweeney**, Eastman Kodak Co., Oak Brook, Ill. Chairman for the Symposium is **George W. Tressel**, Battelle Memorial Institute, Columbus, Ohio.

Those interested in presenting a paper at the 113th Conference should write or telephone SMPTE Headquarters, Att: Conference Programs Secretary, 862 Scarsdale Ave., Scarsdale, NY 10583 (Area 914-472-6606), for additional information and the necessary forms.

The titles for the Monday through Wednesday sessions are: Non-Video Display Systems; Industrial TV and Motion-Picture Operations; Motion Pictures and Television in Education; Television/CATV; Laboratory Practices; High-Speed Photography and Instrumentation; and Small Format—Manufacturing. The subject of the two-day symposium is: Video Cartridge, Cassette and Disc Players Systems—Packaged Programming.

The names of the Topic Chairmen were listed in the December *Journal*, p. 931.
