THE SOCIETY today is the result of over fifty-seven years of achievement and leadership. Its members are engineers, scientists and technicians skilled in every branch of motion pictures, television, instrumentation and high-speed photography. Through the Society they are able to keep abreast of current technology and contribute continuously to the technological advances and education in these fields.

Membership is open to any interested person according to his qualifications. The Society's Headquarters welcomes inquiries from individuals who may apply for these grades: Active (annual dues, \$30.00), Associate (annual dues, \$30.00) and Student (annual dues, \$10.00). All members receive the Journal.

Subscriptions to the Journal are available to non-members at \$35.00 a year (outside continental United States, add \$1.00 for postage). Single copies are \$3.00 for one-part issues; \$3.50 for special two-part issues. Journal subscription price to students is \$12.00. A 10% discount is allowed to individual members and accredited agencies on orders for subscription and single copies. Residents in countries that participate in UNESCO may use UNESCO coupons for payment in the event other means for remitting are not available.

In addition to information about membership, subscriptions, technical activities, standards and test films, a list of priced and gratis publications is available from the Society's Headquarters Office, 862 Scarsdale Ave., Scarsdale, NY 10583
