

SOCIETY ANNOUNCEMENTS

BOARD OF GOVERNORS

A meeting of the Board of Governors was held at the Hotel Pennsylvania on July 14, at which time the various administrative and fiscal affairs of the Society were reviewed with a view of making possible alterations conforming to the changing conditions of the times. The problems incident to revising the rates charged for dues and non-member subscriptions for the JOURNAL were also considered, and initial plans were made for the Fall convention.

FALL, 1933, CONVENTION

The next convention of the Society will be held in Chicago, early in October, with headquarters at the Edgewater Beach Hotel. The exact dates will be announced later. An attractive program is being arranged by Mr. W. C. Kunzmann, chairman of the Convention Arrangements Committee, and Mr. O. M. Glunt, chairman of the Papers Committee.

The Chicago Section will collaborate with the Committees in order to make the visit to Chicago a most interesting and profitable one. The members of the Society are urged to make every effort to attend; an additional inducement is afforded by the coincidence of the convention with the Century of Progress Fair, which terminates at the end of October.

The Society regrets to announce the deaths of
