Points of Interest

To list all the points of interest in and about Washington would require too much space, but among them may be mentioned the various governmental buildings, such as the Capitol, the White House, Library of Congress, Department of Commerce, U. S. Treasury, U. S. Bureau of Standards, Department of Justice, Archives Building; and other institutions such as the National Academy of Sciences, the Smithsonian Institution, George Washington University, Washington Cathedral, Georgetown University, *etc.* In addition may be included the Lincoln Memorial, the Washington Monument, Rock Creek Park, The Francis Scott Key Memorial Bridge, Arlington Memorial Bridge, the Potomac River, and Tidal Basin. Mt. Vernon, birthplace of Washington, is but a short distance away and many other side trips may be made conveniently *via* the many highways radiating from Washington.

Recreation

The Wardman Park Hotel management is arranging for golfing privileges for SMPE delegates at several courses in the neighborhood. Regulation tennis courts are located upon the Hotel property, and riding stables are within a short distance of the Hotel. Trips may be arranged to the many points of interest in and about Washington.
