

## SOCIETY ANNOUNCEMENTS

### WASHINGTON CONVENTION

As the Convention will barely have ended by the time this issue of the JOURNAL is distributed, it will not be possible to include any of the details of the Convention. However, the next issue will contain a description of the highlights of the Convention and the final program as followed at the sessions.

The tentative program and abstracts of nearly all the papers scheduled were published in the April issue. A few additional abstracts are published in the following pages.
