Due to the great influx of wartime visitors to New York it is often very difficult to obtain accommodations, and for that reason reservations should be made well in advance of the meeting dates. It will not be possible to guarantee accommodations if reservations are not made in advance.

Registration.—The registration headquarters for the Fifty-Third Semi-Annual Meeting will be on the 18th floor of the Hotel, at the entrance of the *Salle Moderne*, where the technical sessions will be held. All members and guests attending the meeting are expected to register and receive their identification cards and badges required for admission to all the sessions.

Technical Sessions

The Papers Committee is assembling an attractive and interesting program of papers for the Meeting, the details of which will be published in a later issue of the JOURNAL. Members and others who are contemplating the preparation of

papers should communicate immediately with the Chairman of the Papers Committee, at the office of the Society in the Hotel Pennsylvania, New York, N. Y.

The assistance of the membership of the Society is earnestly sought by the Committee in the work of soliciting papers, and suggestions as to possible presentations and authors will be gratefully received.
