

SOCIETY ANNOUNCEMENTS

MAILING OF NOTICES TO MEMBERS OF THE ATLANTIC COAST SECTION

As the territory included by the Atlantic Coast Section of the Society extends from Maine to Florida and includes the Eastern and Central Standard Time zones (as the result of the discontinuance of the Mid-West Section), many of the members of the Section find it impossible to attend the monthly meetings and other functions. The situation has been considerably aggravated by the present difficulties of transportation.

For these reasons, as well as for reasons of economy, the Board of Governors, at the meeting held on May 3rd at New York, felt that notices of meetings, routine letters, and other material should be sent only to members of the Section residing in the New York metropolitan area, since it is from this area that the meetings draw practically all their attendance.

However, the Board provided also that members not residing in the New York metropolitan area but who wish to receive such notices, *etc.*, may have their names continued upon the mailing list of the Section by writing to the office of the Society, at the Hotel Pennsylvania, New York, N. Y.
