

COMMITTEES OF THE SOCIETY

(Correct to August 15)

The Board of Governors voted recently to publish in the JOURNAL regularly the personnel and scope of all standing committees of the Society. It is believed these data will be of value not only to committee chairmen and members in having an up-to-date list of committee membership, but will be of interest to others who may be unfamiliar with the general nature of activities engaged in by the various technical and nontechnical committees of the Society.
