

SOCIETY ANNOUNCEMENTS

ATLANTIC COAST SECTION MEETING

An interesting and informative talk was given before members and guests of the Atlantic Coast Section of the Society by E. A. Bertram of DeLuxe Laboratories, New York, on "A Motion Picture Processing Laboratory and Its Relation to the Film Producer." Mr. Bertram described the organization and operation of a modern film laboratory, covering all phases of laboratory work from mixing chemicals to shipping the film. The talk was almost equal to a tour through a typical film laboratory. Mr. Bertram stressed the accurate sensitometric control and uniform development now practiced in commercial film processing laboratories.

A large audience also viewed a motion picture supplied through the Signal Corps Photographic Center. The meeting was held in the *Penn Top* of the Hotel Pennsylvania, New York.

The Chairman of the Section, C. R. Keith, thanked officers and managers of the Section for their cooperation in arranging meetings during his term of office. Mr. Keith introduced the officers and managers of the Section for terms beginning 1946, as follows:

Chairman: FRANK E. CAHILL, JR.

Secretary-Treasurer: JAMES FRANK, JR.

Managers: HERBERT BARNETT JACK A. NORLING
 HOLLIS D. BRADBURY W. H. OFFENHAUSER, JR.
 G. T. LORANCE H. E. WHITE
