

Melvin L. Stewart is the designer of the Society's new emblem which was adopted by the Board of Governors last October and described in the December *Journal*. The symbol appears on the cover of this issue of the *Journal* and it will gradually be made a part of the many Society communications. Mr. Stewart resides at 10326 Orton Ave., Los Angeles. He is a senior commercial design student at the University of Southern California, ranks high in his class and has received three scholarship awards. He has exhibited magazine cover designs, book jacket, fabric and wallpaper designs. He is 23 years of age and is the son of George M. Stewart who is employed in the Sound Department of Twentieth Century-Fox Film Corp., Beverly Hills, Calif.

New Membership Directory

A new directory will be mailed as Part II of one of the *Journals* late this spring. Plans are to organize it generally as was done in 1950 — unless members send in valid suggestions for a revised arrangement.

Each member should note that with his statement for dues for 1952 the Society sent a copy of his last listing brought up to date according to the Society's records at the beginning of December. In making the new directory, advice about changes in address or employment will be taken into account at least as late as March 3.
