

## New Products

Further information about these items can be obtained direct from the addresses given. As in the case of technical papers, the Society is not responsible for manufacturers' statements, and publication of these items does not constitute endorsement of the products.

**The Tener** has been announced as a 25th Anniversary Topper by Mole-Richardson Co., 937 N. Sycamore Ave., Hollywood 38, Calif. This 10,000-w lamp, Type 416, is described with these specifications: constructed of sheet metal with interlocking channels for ventilation; condenser, special 20-in. Fresnel, 15° to 40° divergence; mirror, Alzak aluminum and completely adjustable; socket, Mogul Bipost; globe, 10,000-w G96 Mogul Bipost; focusing by handle on front or back; cable, 25-ft loom-covered with stage plug and furnished separate from lamp for attachment with pin plugs; switch, 100-amp; weight, 117-lb head, 16-lb cable and 37-lb pedestal. Accessories, sold separately but also described in a Mole-Richardson brochure, are: barn door, diffuser frame and shutter.

**Fundamentals of Magnetic Recording** is a 50-page handbook covering the subject chiefly under these headings: magnetic recording method, magnetic relations, bias, erasing, output, uniformity of output, frequency response, distortion and noise, modulation noise, tape construction, head wear, printing, splicing, selecting a tape recorder, and maintenance. Written by C. J. LeBel, Vice-President of Audio Devices, it is available at no charge upon a written request to Audio Devices, Inc., 444 Madison Ave., New York 22, N.Y.

**Correction and Amplification:** In the description of a lightweight sound-proof blimp, p. 274 of the March 1952 *Journal*, the manufacturer of the Arriflex camera was erroneously noted. The Arriflex is made in Germany by Arnold & Richter K.G., 89 Tuerkenstrasse, Munich, Western Zone; and the sole agents in North America are Kling Photo Supply Corp., 235 Fourth Ave., New York 3, N.Y.

**SMPTE Officers and Committees:** The roster of Society Officers and the Committee Chairmen and Members were published in the April *Journal*.
