

73d Semiannual Convention

A meeting of the Papers Committee at Washington on October 9, during the 72d Convention, laid general plans for the Spring Convention to be held at the Los Angeles Statler, April 27 - May 1. Several aims were espoused and some sessions planned. Inasmuch as the National Association of Radio and Television Broadcasters will meet at Los Angeles during the early part of that week, the SMPTE television sessions will be held on Thursday and Friday, contrary to the arrangement of recent convention programs. The arrangement of all the ses-

sions will be shown in the Advance Notice of the Convention scheduled to be mailed to members on March 2d.

Deadlines established by Papers Committee Chairman Bill Rivers and 73d Program Chairman Ralph Lovell are: Authors' Forms and Abstracts due on February 16; manuscripts due on March 23.

Blank forms can now be obtained from anyone on the Papers Committee, but it is preferable that you work with the one nearest you. The complete roster of the Committee will be published in the next *Journal*.

Awards

The Society serves its field in one way, among others, by an attempt to recognize formally important contributions by individuals. Several awards are conferred annually upon those whose work has been considered significant in their particular fields of interest. Those who were selected during 1952 were presented awards during the Fall Convention of the Society in Washington, D.C. Their names and awards are listed here.

As has been done in past years there were published earlier this year, in April, the recommendations, citations and former recipients of the Progress Medal Award, the Samuel L. Warner Memorial Award, the Journal Award and the David Sarnoff Award.
