

“Because the Board of Editors as presently comprised of 18 members is no more than adequate, the Administrative Practices should be brought up to date by changing the present stipulation of ‘seven Fellows and Active members,’ to: ‘The Editorial Vice-President upon taking office shall appoint the chairman of the Board of Editors and the members of the Board. The latter shall consist of not less than 12 members of the Society in good standing and shall be representative of all the

various branches and interests of the motion picture and television industry.’”

Reports of Section Chairmen Heppberger, Shaner and Stifle contained a new element in greater strength: regional organizations established at San Francisco and Dallas and proposed in Atlanta. (A report of the San Francisco Subsection has been given in the October 1952 *Journal* and a brief report of the Atlantic Coast Section Regional Meeting was published in the September 1952 *Journal*.)
