

SMPTE President Blaine Baker Visits Japan

SMPTE President Blaine Baker, MPL Film & Video, Inc., was a featured speaker at the 23rd Exhibition of the MPTEJ, held at the Mukuhari Convention Center, May 23–24.

Baker, who was introduced by MPTEJ President Tsuguyoshi Itoh, gave a presentation that included an outline of the SMPTE's 75-year history and an update of new standards that are now being implemented by the Society.

"The MPTEJ has approximately 3000 members, of which 158 also belong to the SMPTE," Baker said. "Of-

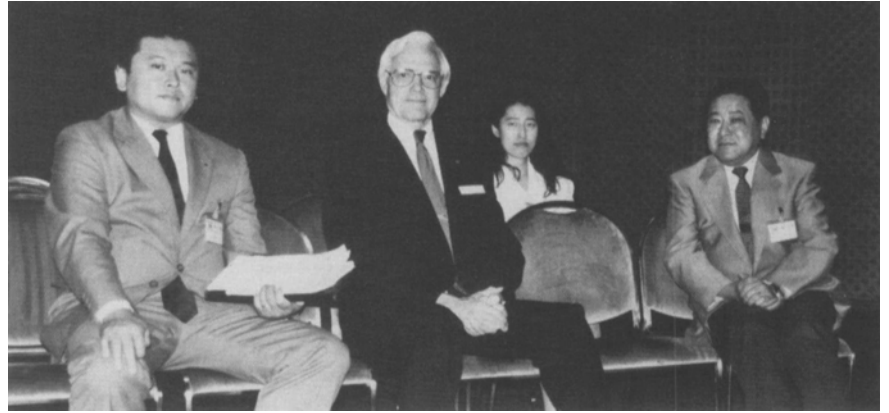

ficers of both organizations expressed a desire to increase our working relationships."

During his visit, Baker also went to

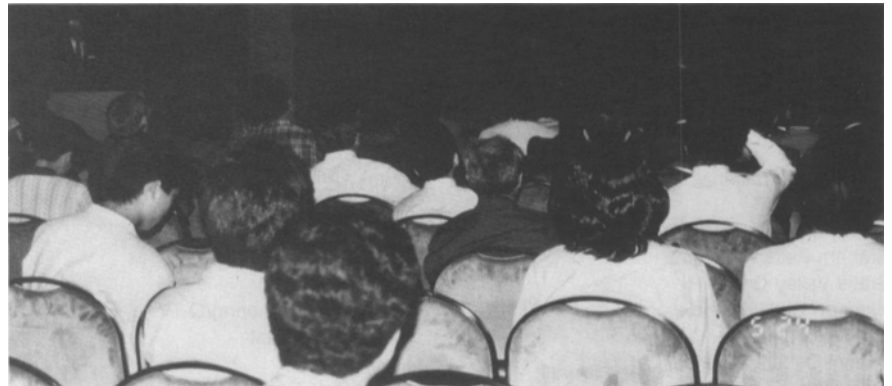

a large reception that was attended by many international guests who are participants in the International Standards Organization.
