## Employment Service

*These notices are published for the service of the membership and the field. They are inserted for three months, at no charge to the member. The Society's address cannot be used for replies.*

## Positions Available

**Engineering Manager.** With a minimum of 5 years experience in television applications required in addition to a BS or MS in Electrical Engineering with 10 to 15 years experience in systems engineering (at least 5 of those years in management). Responsibilities include hiring, staffing, project direction, design and project reviews, customer review meetings, and working with both commercial and government customers. We offer competitive salary, comprehensive medical/dental/life insurance, vacation, continuing education opportunity, 401K plan, and more. Send resume with salary expectations in confidence to SM-Eng-Mgr, P.O. Box 580487, Houston, TX 77258. EOE.

**Field Service Technicians.** National Cinema Service Corp. (formerly RCA Theatre and Industrial

Service), is looking for qualified field service technicians with a background in servicing state-of-the-art motion-picture presentation equipment. Send resume to National Cinema Service Corp., 1305 Distributors Row, Ste. #1, Harahan, LA 70123. (504) 734-0707.

**Sales Representative.** Small, growing Westchester/NYC video production company (promotionals, real estate tapes, corporate and small business tapes, independent producers of cable TV shows to promote these businesses and products) seeks industrious, personable representative, preferably with solid contacts to broaden our client base, to sell our services. Increasingly large commissions with eventual share in business. Call Trudy, (914) 715-3676 or Marc (212) 242-0754.

**Television Systems Design Engineers.** BSEE or equivalent technical degree preferred. Requires at least three years experience in the design and implementation of television systems and subsystems. Disciplines preferred include production, graphics, post-production, teleconferencing, signal processing, transmission and reception, videotape recording techniques, analog and digital video/audio processing, video/film interfaces, and signal distribution, baseband, and RF distribution. Excellent communications and writing skills required.

**Telecine Colorist.** Bachelor degree in a television related field and/or an associates degree in an associated science with a minimum of two years equivalent experience in production level telecine operations. Must possess strong technical skills.

Must have experience in Rank or Bosch film transfer with high end computerized color correction to include DVE and noise reduction.

**Scenelist Technician.** BS or BA degree required with experience in an associated field. MS or MLS in Library Science from an American Library Association accredited institution preferred. Candidate must be able to operate with minimum supervision. Primary functions will be to assist in documentation of real time functions associated with the NASA Space Shuttle Mission activity. Position includes research and library functions.

Excellent benefits offered. Principals only should send resume with current references to StellaCom, Inc., 16441 Space Center Blvd., Bldg A., Houston, TX 77058. No phone calls please. EOE.

## Positions Wanted

**Videotape Editor/Engineer.** Award-winning CMX editor/engineer with ten years experience with CMX, VVG, Abekas, Sony, and Ampex. Good client skills. Detroit area or willing to relocate to Orlando area. Contact Dan Nowak, 21174 Huntington Blvd., Harper Woods, MI 48224. (313) 885-2745.

**Entry Level Production Assistant.** Experienced (1 1/2 years) videographer, editor, and general assistant in cable. Knowledge of time code 1/4-in. editing, Chyron, and special effects production. Also worked on independently produced film. Associate and Bachelor degrees in television production. Willing to relocate. Contact Heather Abbott, 594 Townsend Rd., Groton, MA 01450. (508) 448-2591.

## Memo to Members:

Have you signed up a new member lately? As one who has chosen to belong to SMPTE, you are aware of the benefits of SMPTE membership. Among these benefits are the prestige of being associated with the world's premier professional organization in the fields of motion pictures and television, the monthly *SMPTE Journal*, the local section meetings, and the annual conferences and equipment exhibits. If you know someone who meets SMPTE's requirements, you can offer to sponsor him or her for membership. This is the best way to help strengthen the Society and point someone toward increased professional growth.

Applications are available from:

**SMPTE Membership Dept.  
595 W. Hartsdale Avenue  
White Plains, New York 10607**
