Equipment Available/Wanted

Wanted. 35mm (2-in. × 2-in.) slides with TV station IDs, captions, test patterns are required for an archive collection. Any examples — old or new — will be gratefully received and mailing expenses refunded. Can you help? Please send to Andrew Emmerson, BATC Committee Member, 71 Falcutt Way, Northampton NN2 8PH, England.

Employment Service

These notices are published for the service of the membership and the field. They are inserted for three months, at no charge to the member. The Society's address cannot be used for replies.

Positions Available

Audio/Video Technical Advisor. To assist public relations agency for major blank audio/video tape manufacturer. Background in audio/video engineering helpful, with specific technical knowledge of audio hardware and software essential. Candidate will attend and report on industry seminars (including SMPTE), assist in technical tape demonstrations, interact with company engineers, write technical positioning papers on products, etc. Part-time (10 to 20 hours per week) to start, but may develop into a full-time position. Salary negotiable and dependent upon experience. Send resume and cover letter to Mike Grayeb, Dorf & Stanton Communications, 111 Fifth Ave., New York, NY 10003. (212) 420-8100.

Sales Representative. Small, growing Westchester/NYC video production company (promotionals, real estate tapes, corporate and small business tapes, independent producers of cable TV shows to promote these businesses and products) seeks industrious, personable representative, preferably with solid contacts to broaden our client base, to sell our services. Increasingly large commissions with eventual share in business. Call Trudy, (914) 725-3676 or Marc (212) 242-0754.

Positions Wanted

Audio Engineer. Experienced audio engineer seeks position with commercial/corporate teleproduction facility. Over 18 years experience in all phases of production/post-production. Will relocate. Resume and demo reel available. Contact Gregory A. Lesko, 1323 Brinton Rd., Pittsburgh, PA 15221. (412) 243-8029.

Entry Level Production Assistant. Experienced (1½ years) videographer, editor, and general assistant in cable. Knowledge of time code ¾-in. editing, Chyron, and special effects production. Also worked on independently produced film. Associate and Bachelor degrees in television production. Willing to relocate. Contact Heather Abbott, 594 Townsend Rd., Groton, MA 01450. (508) 448-2591.
