SMPTE POSITIONS AVAILABLE

EXECUTIVE DIRECTOR

The Society of Motion Picture and Television Engineers (SMPTE), headquartered in White Plains, N.Y., seeks an Executive Director to oversee the organization's 21 employees and \$2 million budget. SMPTE is a nonprofit engineering organization with membership in over 75 countries.

Background requirements include relevant senior level management, marketing, human resources and leadership experience, motivation expertise, excellent oral and written communication skills, budget oversight and membership services development experience.

A competitive compensation package is offered for this position. Applicants should send a letter stating interest and a resume including education and three references to: Chair, SMPTE Executive Search Committee, c/o Robert Smith, DuArt Film Laboratories, 245 W. 55th St., New York, NY 10019. Fax: (1-212) 333-7647. No telephone calls.

DIRECTOR OF ENGINEERING

Senior manager to take full responsibility for all aspects of the Engineering Dept. at SMPTE Headquarters, including the development, publishing, and sales of standards and test materials and liaison with other standards organizations, both national and international.

Candidates should be college graduates in the sciences or engineering related to motion pictures and/or electronic imaging and sound. Advanced degree preferred. The position demands excellent management and communications skills, a sound knowledge of computers and desktop publishing, and demonstrable leadership and marketing capabilities. A minimum of five years related experience is required.

Forward resume, with cover letter indicating references and salary requirements, to Ms. Lynette Robinson, Executive Director, SMPTE Headquarters, 595 W. Hartsdale Ave., White Plains, NY 10607. Fax: (1-914) 761-3115.
