

# Engineering News

## Committee Information

SMPTE Engineering Committees meet to develop standards, practices, and engineering guidelines and to review existing documents to ensure that they are current with established engineering practices and are compatible with international standards.

Membership is open to those who have affirmed in writing that they are directly and/or materially affected and are willing and able to participate actively in the work.

Individuals interested in contributing to committee work should contact the Engineering Dept. at SMPTE Headquarters, (914) 761-1100.

## Monthly Meeting Schedule

The adjacent calendar shows the dates of upcoming meetings and the cities where they will be held. Additional information on participation in these meetings is available from the Engineering Dept.

### SMPTE POSITION AVAILABLE

### DIRECTOR OF ENGINEERING

Senior manager to take full responsibility for all aspects of the Engineering Dept. at SMPTE Headquarters, including the development, publishing, and sales of standards and test materials and liaison with other standards organizations, both national and international.

Candidates should be college graduates in the sciences or engineering related to motion pictures and/or electronic imaging and sound. Advanced degree preferred. The position demands excellent management and communications skills, a sound knowledge of computers and desktop publishing, and demonstrable leadership and marketing capabilities. A minimum of five years related experience is required.

Forward resume, with cover letter indicating references and salary requirements, to Ms. Lynette Robinson, Executive Director, SMPTE Headquarters, 595 W. Hartsdale Ave., White Plains, NY 10607. Fax: (1-914) 761-3115.
