

141st SMPTE Technical Conference and Exhibition

Marriott Marquis Hotel, New York City
November 19-22, 1999

The Fall is almost here, and the program for the 141st Technical Conference and the Exhibition is nearly complete. This year's premier event will be held at the Marriott Marquis in New York City on November 19-22, 1999. It includes an all-day seminar, ten paper presentations, and a long list of exhibits from some of the most prominent companies in the industry.

The program, chaired by *Birney Dayton*, *NVision*, and *Linda Young*, DuArt Film Laboratories, will explore numerous issues regarding digital technology and promises to attract a large number of professionals in the broadcast industry.

The following is a preliminary line-up of the program schedule.

Air Travel Discounts

SMPTE is pleased to announce that it has been able to secure a special discount agreement with United Airlines unavailable to the general public.

A 5% discount off the lowest applicable fare will be offered only when you or your travel agent call United's toll-free number 1-800-521-4041 and refer to the Meeting ID Number 558HN. A 10% discount off the unrestricted mid-week coach fares is available when purchased 7 days in advance. An additional 5% discount will apply when tickets are purchased at least 60 days in advance of the travel date. Discounts apply only on United, Shuttle by United, and United Express. Dedicated reserva-

tionists are on duty 7 days a week, 7:00 a.m. to 12:00 midnight EST. Book early to take advantage of promotional fares that give you the greatest discount. Mileage Plus members receive full credit for all miles flown to this meeting.

Registration Cancellation & Refunds

Should you require a refund of the Conference registration fee prior to the Conference, SMPTE's policy is as follows:

- All cancellations must be made in writing to SMPTE Headquarters.
- A \$50 administration fee will be incurred on all transactions.
- No refunds or cancellations will be accepted if postmarked after November 1, 1999. Substitutions are allowed and encouraged.
