Be a Part of History in the Making: Going Digital

A Web site designed specifically to collect the history of your technologies: Automatic Speech Synthesis & Recognition and Digital Audio Recording.

You and your colleagues are cordially invited to visit the site to add your recollections, images, publications, or photographs to the site!

Here is your opportunity to shape the history of these technologies!

www.ieee.org/going_digital

Going Digital is maintained by the IEEE History Center, made possible by a grant from the Alfred P. Sloan Foundation
