

# Forthcoming Professional Meetings

The CP Maintenance Training Seminar for cinematographers, equipment dealers and technicians will be held 14-15 October at the Cinema Products factory in Los Angeles. The program will include a comprehensive training seminar for the CP-16 reflex and non-reflex camera models and related accessories, led by Cinema Products technicians Mart Prager and Chuck Jackson. Representatives from other equipment manufacturers will conduct sessions on current practices and developments in their respective fields. A special feature of the seminar will be a Saturday morning maintenance and repair session for Steadicam technicians. Further information is available from Wilbur Russell, c/o Cinema Products Corp., 2037 Granville Ave., Los Angeles, CA 90025.

Speakers for the 5th annual Midwest Seminar on Videotape and Film to be held 4-5 November in Chicago have been announced.
