Field Service Engineer

At last, the right job in the right location.

The Grass Valley Group has a position available for a qualified Field Service Engineer to provide after sales support for its wide variety of complex broadcast systems. The position offers travel in the U.S. and abroad plus career opportunities in marketing and engineering for this expanding company.

The Grass Valley Group is located in rural Grass Valley, at the foothills of California's Sierra-Nevada mountains, where you'll find a relaxed lifestyle and abundant recreational activities.

The position requires an individual with experience maintaining and/or designing television systems. Prefer BSEE or equivalent.

Interested and qualified candidates are invited to send a resume in confidence to Val R. Marchus, The Grass Valley Group, Inc., P. O. Box 1114, Grass Valley, CA 95945. An Equal Opportunity Employer M/F/H.
