Chief Engineer. For Manhattan television production company specializing in computer animation. Top salary and benefits for the right person. Need an energetic management level individual capable of maintenance and installation of video/audio equipment and supervising the work of others. The Chief would help design new systems for solving the unique production projects undertaken by this company, would have a minimum of 3 years broadcast maintenance experience and possess a good understanding of analogue and digital circuitry. Great opportunity for someone who wants to be a part of a vital, well-established television production company helping make some of the most unique images on television. **Maintenance Technician.** Innovative production company specializing in computer animation needs maintenance technicians who are good with a soldering iron and basic trouble-shooting of analogue and digital circuitry. Experience in the broadcast industry desirable but not necessary. Looking for persons interested in learning on the job and able to be flexible in work schedules. Please send resume to Bruce Davis, Dolphin Productions, 140 East 80th St., New York, NY 10021.

Audio Visual Manager. Responsibility for small video studio — must have lighting and camera experience. 35mm and dark room knowledge necessary. Multi-image production experience preferred. Film degree and minimum five years in similar position. Salary commensurate with background. Contact Human Resources - American Bankers Insurance Group - 600 Brickell Ave., Miami, FL 33131 (305) 374-2244.

Position Wanted

Lab Manager or Production Supervisor. Thoroughly experienced film technician and supervisor for over 18 years in all phases of 16mm and 35mm color and B & W, printing, processing, quality control, timing, neg. prep., densitometry and production supervision. Desire a position in motion picture laboratory equal to above or a lesser job with a challenge and chance for fast advancement. Prefer northwestern states, Alaska, Canada or Australia, but will consider all opportunities. Contact: George A. Farkas, 1360 Abers Creek Rd., Monroeville, PA 15146 (412) 372-8562.

Chief Engineer of Television, Radio or FM Broadcast Station. Position last held for 13 years, manager of engineering/chief engineer at TV AM and FM Station. Previous to above held position of maintenance supervisor at a television station. Relocation no problem. Write (or phone) George F. Davis, 26 Weston Drive, Clifton Park, New York 12065 (518) 371-5377.
