rugged, cost effective vans... Philips equipped.

If you want the best mobile... for the best price...
and with the best equipment... start with Philips.

These 4 standard fully equipped mobiles will
consistently and reliably produce the quality you
require for prime time and network feeds.

Selectively equipped with rugged, reliable equipment
including:

- Philips LDK14S ENG/EFP cameras, or LDK5B triax
or LDK25B multicore remote/studio cameras,
or Philips' new LDK44 ENG/EFP cameras,
 - ADC or CDL switchers,
 - portable or rack mount 1" C type VTR's...
 - even lighting kits and mics,
- these vans are ready to roll with self-contained
airconditioning and power generator systems.

And, these vans are designed for
expansion and customizing.

Plus we offer total financing.
