Positions Available

Film Projection Service Engineer. Boston Light & Sound seeks individual experienced with in-house and field maintenance of 70mm, 35mm, and professional 16mm projection equipment. Knowledge of Dolby Stereo and double system sound desirable. Applicant should be able to troubleshoot typical cinema projection systems as well as associated film transport and automatic control equipment. Unusually challenging area of film projection field. Some travel required. Contact Larry Shaw, Boston Light & Sound Inc., 124 Brighton Ave., Boston, MA 02134-2811. (617) 787-3131.

Chief Engineer. Small community public station. Responsibilities include supervision of facility construction, equipment installation, setting up operations, and developing small functional engineering department. Salary, \$18,000 to \$22,000. Community Public Television for the North Bay, P.O. Box 2638, Rohnert Park, CA 94928. (707) 585-8522. EOE.

Video Engineer. Part time. Experienced in maintenance and repair of computerized editing system, VTRs (all formats), monitors, audio equipment; maintenance of 3-tube color video cameras; and knowledge of computer interfaces. Send resume to: Wendy King, Hughes Aircraft Co., Space and Communications Group, P.O. Box 92919, Los Angeles, CA 90009.

DESIGN/DEVELOPMENT ELECTRONICS ENGINEER

Florida

We are the leading American manufacturer specializing in state-of-the-art high resolution projection television systems. Customers are business, industry, government, military, educational and medical institutions. Heavy computer display applications.

We need professional Engineers capable of using innovative design techniques with experience in video sweep and deflection circuitry, high voltage supplies, wave form generators and small signal video processing. Fluency in electrical circuits analysis and ability to apply the principles of electrical physics is an absolute must.

Minimum requirements are BSEE/MSEE with 7-10 years experience. Project leadership experience a plus. Outstanding opportunity on the East coast of Florida adjacent to the Space Center, offering an excellent salary, benefits and relocation package. Send resume and salary history to:

Richard Humphrey,
Vice President-Engineering
