## VIDEO DESIGN ENGINEERS

How about a position with lots of challenge, responsibility, elbow room and opportunity for real professional growth? How about living in the beautiful Rocky Mountains with tremendous outdoor activities and surprising cultural opportunities? We're the Video Equipment Division of Robert Bosch Corporation and we may have the right position and the right location for you.

Our positions require a BSEE and two or more years experience in the design of television signal processing equipment. Primary experience should be in analog video circuit design, but a good background in digital and microprocessor circuit design is also necessary.

Bosch is a world leader in the professional video equipment industry and as such we offer excellent pay and benefits in a stimulating environment.

Please send resume including salary requirements to Ken Oswald, Robert Bosch Corporation, Video Equipment Division, 2300 South 2300 West, P.O. Box 30816, Salt Lake City, Utah 84130-0816.

An Equal Opportunity Employer
