Requirements for Membership

A clearly defined interest in any phase of motion pictures and television is the principal requirement for membership in the SMPTE. There are various grades of membership corresponding to the individual's age and qualifications.

Active Member

An individual is eligible for admission to this grade if at least 25 years of age, is recommended by an Active, Fellow, or Honorary Member of the Society, and meets at least one of the following requirements:

1. An individual engaged in the motion-picture, television, or allied arts and sciences, who has performed or been responsible for engineering or scientific work therein for a period of at least three years; or

2. A teacher in a school of recognized standing who has conducted for at least three years a major course principally concerned with motion-picture or television engineering or a subject involving the related arts and sciences; or

3. An individual who has made a distinct contribution to the advancement of engineering or science in motion pictures, television or the allied arts and sciences, or has contributed to the technical literature thereof, or has made significant inventions therein; or

4. An individual who for at least three years has had, under his/her executive direction, important engineering work in motion pictures, television or the related sciences, and who is otherwise qualified for direct supervision of the technical and scientific features of such work.

An Active Member is entitled to vote on any matter presented to the membership and is qualified to hold office in the Society.

***Qualifications (Active only).** Refer to Active member requirements on this page and describe your qualifications below, giving dates. Please circle if you are applying under requirement 1, 2, 3 or 4. If more space is needed, attach an additional sheet.
