Audio/Video Systems Engineers

Walt Disney Imagineering is the creative energy behind the Walt Disney Theme Parks. If you have the talent, the experience, and the drive to turn imagination into reality, we need you.

With lots of exciting new projects ready to leap off the drawing board, our future looks bright and prosperous. In fact, the incredible growth at WDI has created great new opportunities for **Audio/Video Systems Engineers** who have at least 5 years of experience in the field. This represents a highly attractive alternative to the broadcast industry, and it's a great chance to work closely with Attractions Designers in finding ways to best utilize the audio/video state-of-the-art technology.

Walt Disney Imagineering offers an outstanding benefits package and a creatively charged work environment. After all, what would you expect from the Company who is in the business of making people smile? For immediate consideration, please send your resume to: **Walt Disney Imagineering, 800 Sonora Avenue, Glendale, CA 91221-5020, Attn: Human Resources, Dept. NAB-SMPTE.** Equal Opportunity Employer.
