SMPTE HEATS UP

Chicago this February!

**Join us at the Advanced Motion Imaging Conference
February 26-28, 2004**

We're Turning up the Heat

SMPTE is preparing another successful AMI Conference this February, as experts in motion imaging converge on Chicago to give you the information you need to stay ahead. Technical presentations, panels, and more are on the burner, so mark your calendars!

This year's conference will be held at the Fairmont Chicago, on February 26-28. Join us as we explore the latest in motion imaging technology. That is why we set the standards that drive the future in motion imaging.

Registration Sizzles!

Registration forms will be available in the *SMPTE Motion Imaging Journal*, as well as our easy online registration.

Sponsorships Cook Up Sales!

Sponsorships of seminars, receptions, coffee breaks, and registration materials are just a few ways to promote your company's products and services, and heighten customer awareness. We can tailor any sponsorship package or create new opportunities to suit your company's needs. If you are interested in promoting your products and services, please contact Dianne Gabriele, at dgabriele@smpte.org.
