

MOTION IMAGING JOURNAL

Becoming a New Sustaining Member

There are six different packages available for companies that would like to become part of SMPTE's Sustaining Membership. Areas to consider in choosing a Sustaining Membership level are the size of your company, the variety of products and services offered, and the number of employees who already attend SMPTE conferences and meetings.

Platinum Sponsor

As a Platinum Sponsor, you'll receive twenty complimentary individual memberships, which include the opportunity to participate on engineering committees and work on standards development, a 2,000-word description on SMPTE's website, two free annual subscriptions to the SMPTE Motion Picture and Television Standards and Practices *Journal*, two complimentary banner advertisements on our website, two full-page color advertisements in our award-winning *SMPTE Motion Imaging Journal*, four complimentary full registrations at the annual SMPTE conference, a personalized company wall plaque, and a continuous listing in the *SMPTE Motion Imaging Journal*.
