

Call for Papers

SMPTE Technical Conference and Exhibition

Renaissance Hollywood Hotel

Hollywood, CA

October 18-21, 2006

Renaissance Hollywood Hotel

Join Us!

We invite you to submit a proposal to present at this four-day conference. If you have expertise and knowledge that you'd like to share in the following areas, we want to hear from you:

- Digital Intermediates: process, advancements, and case studies
- 3-D Imaging
- Digital Cinema Exhibition: servers, content storage, networks, and scheduling
- Image acquisition for filmmaking, broadcast news, studio production, and sports
- Animation: new techniques and process
- Advancements in Film Technologies: film stocks, restoration techniques
- Electronic Display Technologies: plasma, LCD, LCoS, FED/SED, laser
- Color management, interchange, correction techniques
- Metadata and file management
- IP content networks, transport, architectures, standards and applications
- Content security, rights management
- Digital audio for cinema, broadcast, and gaming
- Consumer Technologies: HD deployment, transmission, home networking
- Historical topics on early filmmaking, animation, and television technologies

Paper Submission Information

Submissions will be accepted by e-mail only. Below are instructions for submitting your synopsis, which should be completed and submitted to SMPTE Headquarters with all requested information.

How to construct your Synopsis Submission

Send an e-mail to conferences@smpte.org.

In the subject box of your e-mail write: SMPTE Conference 2006. In the text box, please list the following:

- | | |
|-----------------------|--------------------------------|
| 1. Author(s) | 8. City |
| 2. Position | 9. State |
| 3. Paper Title | 10. Zip/Postal Code |
| 4. Topic Area Covered | 11. Country |
| 5. Company | 12. Tel/Fax |
| 6. E-mail Address | 13. Are you a member of SMPTE? |
| 7. Address | 14. 200-Word Synopsis |

In addition to your PowerPoint presentation, a final paper will be required to ensure inclusion in the conference Proceedings CD-ROM. The final paper can be of any length, as long as it delves deeper into explaining your presentation, and goes into greater detail.

Remember, SMPTE prides itself on professional conference presentations and proceedings. Please make sure that your synopsis and subsequent paper are technical in nature. Purely commercial offerings or "sales pitches" are to be avoided and will not be accepted.
