

Exhibit Hall Tuesday, October 28 – Thursday, October 30, 2008

The high-tech hands-on exhibit hall, which featured the customary ribbon-cutting ceremony, was sold out and featured many leading companies in the motion imaging industry.

Technical Sessions Tuesday, October 28 – Thursday, October 30, 2008

This year, technical sessions addressed topics on the DTV transition, 1080p infrastructure, stereoscopic 3-D, IPTV, displays, compression, media asset management, timing and synchronization, and much more.
