SMPTE 2009 ANNUAL TECH CONFERENCE & EXPO

SMPTE 2009: Annual Tech Conference & Expo was held on October 27-29, 2009, at the Hollywood Renaissance Hotel in Hollywood, CA. The event which attracted more than 1,300 professionals in the motion imaging industry, included a pre-conference symposium on Advanced Media Workflows, sponsored by Cinegy and 12 paper sessions, with more than 75 presentations, covering topics on content creation, management, distribution, and display. An array of exhibitors were also on hand to showcase the latest technological advancements in the industry. Here are some highlights of the event:

Ken Fuller

Paul Hearty

Rob Engle

SMPTE President Ken Fuller and Editorial Vice President Paul Hearty extended remarks at the Opening General Session on Tuesday, October 27. Featured speaker Rob Engle, Sony Pictures Imageworks, discussed the impact of 3D on filmmakers and audiences.
