

Next generation mini converters with advanced 12G-SDI and support for all SD, HD and Ultra HD formats up to 2160p60!

Teranex Mini converters feature a revolutionary design which for the first time allows you to use the same converter rack mounted, on a desktop or hidden in cable ducts! With 12G-SDI and award winning Teranex quality you get the world's best converters that work in all SD, HD and Ultra HD formats up to 2160p60. Now you can do production in high frame rate Ultra HD but still use the same converter in SD and HD!

Advanced 12G-SDI

Teranex Mini converters feature advanced 12G-SDI technology that's 8 times faster than regular HD-SDI. The 12G-SDI connections are multi rate, automatically detecting and changing between all SD, HD and Ultra HD video formats up to 2160p60 instantly, making them compatible with all of your existing SD and HD equipment.

True Broadcast Connections

Teranex Mini features extremely high speed BNC connectors for fast 12G-SDI rates plus professional XLR connectors for balanced analog or AES/EBU audio and timecode. The built in power supply uses a standard IEC AC power connection. Teranex Mini also supports power over ethernet (PoE+) so you don't even need to plug in AC power!

Legendary Teranex Quality

Patented Teranex algorithms, along with 12-bit image processing make Teranex Mini the highest quality mini converters available! You also get SDI re-clocking and extremely low jitter for longer cable runs, along with professional XLR audio with a low noise floor of -115dBFS so analog audio background noise is virtually silent!

Teranex Mini Smart Panel

The easy to install optional front panel adds push button controls and bright color display so you can quickly change settings and see the video and audio levels. You also get on screen menus for all settings. Plus you can administer the converters remotely via the built in ethernet connection on Mac OS X and Windows computers!

Teranex Mini SDI Models

Teranex Mini - SDI to HDMI 12G	\$495
Teranex Mini - HDMI to SDI 12G	\$495
Teranex Mini - SDI to Analog 12G	\$495
Teranex Mini - Analog to SDI 12G	\$495
Teranex Mini - SDI to Audio 12G	\$495
Teranex Mini - Audio to SDI 12G	\$495
Teranex Mini - 12G-SDI to Quad SDI	\$495
Teranex Mini - Quad SDI to 12G-SDI	\$495
Teranex Mini - SDI Distribution 12G	\$495

Teranex Mini Accessories

Teranex Mini - Smart Panel	\$85
Teranex Mini - Rack Shelf	\$145
