

HPA
TECH RETREAT UK

13-14 July 2016
HEYTHROP PARK RESORT, OXFORDSHIRE, UK

www.hpatechretreatuk.org

Step away from your office and into a unique and immersive event, where your peers and icons bring back to back opportunities for lively conversation and incomparable connection.

For two jam-packed days, the HPA Tech Retreat UK will challenge you, inspire you, and engage you, as the original has done for 21 years.

The HPA Tech Retreat is known as a world class event, and comes to the UK for the first time, by popular demand. Featuring the elements that make the original Tech Retreat special: The SuperSession, Innovation Zone, Breakfast Roundtables, networking and social events beyond compare, and a full, curated conference.

Call For Proposals, Innovation Zone applications, and further information available at:
