

The success of the Next Century Fund will contribute to SMPTTE's legacy of service to the industry for the next 100 years!

To celebrate our Centennial, SMPTTE has launched the Next Century Fund! As the industry continues to evolve, standards become even more vital to facilitate ongoing interoperability.

The Next Century Fund will prepare us for the future by securing funding to further the Society's standards development, educational programs, and membership benefits for all levels of professionals and students.
