SMPTE

ADVANCE YOUR CAREER

Society of Motion Picture & Television Engineers
We Set the Standard for Motion Imaging

Keep up to date on the latest technologies so you are ready for advancement:

- Read the latest articles in the *SMPTE Motion Imaging Journal*
- Access the knowledge base in the SMPTE digital library
- Learn about emerging technologies at events and conferences, and attend at member discounted rates
- Participate in technically relevant webcasts, at no charge

Meet the people who can connect you with new opportunities:

- Connect with experts through the online membership directory
- Network with your peers and other professionals, locally and online

Learn about industry news and developments so you are ready for what's next:

- Scan our monthly e-newsletters: SMPTE Monthly eNewsletter and Newswatch

Develop technical and leadership skills, invaluable in your career and to your organization:

- Participate in the standards development process
- Volunteer with your Section
