Delivering Complete IP Solutions

10 GbE • 25 GbE • 100 GbE

IP. Here & Now.

With over 80 installations of Software Defined Video Networking (SDVN), Evertz is the leader in the transition to IP with its COTS solutions. Our evEDGE, EXE/IPX high capacity packet switch fabrics, MAGNUM Orchestration and Control, and IP Gateways allow customers to switch open-formats that are standards based (SMPT 2022-6, RDD 37 and 2110) over 10/25/100GbE IP infrastructure.
