# SMPTÉ 2019

SMPTÉ has re-imagined its annual technical conference! The event will feature high-quality technical papers, exciting curated content, an exclusive exhibit hall, and engaging social events. With the Tech Conference beginning on Monday, the flagship event will run 21-24 October at the Westin Bonaventure Hotel & Suites in downtown Los Angeles. SMPTÉ 2019 aims to provide something for everyone – from students and early career professionals, to seasoned engineering executives.

**Discover** cutting-edge technology, top quality educational offerings, and solutions to technical challenges. Multiple program tracks will include fundamental technology concepts, as well as deeply technical presentations on topics addressing the media & entertainment industry's most pressing technology issues and challenges. Our exclusive exhibit hall in its new location, adjacent to the conference sessions, will showcase a variety of innovative solutions and tools.

**Engage** with colleagues and industry experts in a relaxed atmosphere. This is *your* chance to "ask the experts" and speak with many sought-after individuals during impromptu meetings, buffet lunches on the rooftop deck, and "pop-up" social events.

**Excel** in your career! SMPTÉ 2019 will help provide the education and contacts you need to further your personal and professional development
