

SMPTE

Motion Imaging Journal

Put Your Ideas in Front of Fellow Experts

The award-winning SMPTE Motion Imaging Journal publishes articles on the technology driving the evolution of media and entertainment. Submit your paper for peer review and possible publication in the Journal.

The SMPTE Motion Imaging Journal addresses timely issues in media and entertainment technology. The publication accepts both thought-leadership and technical articles. Submission guidelines are available at [smpte.org/publications/submit_paper](https://www.smpte.org/publications/submit_paper).
