

SMPTE 2020

Opportunities for Students!

Student Paper Award

The Student Paper Award recognizes an outstanding paper, prepared and submitted by a SMPTE student member, that addresses a technical phase of motion pictures, television, photographic instrumentation, or their closely allied arts and sciences. The winning paper is published in the *SMPTE Motion Imaging Journal*, and the winning student receives a full conference registration to the SMPTE 2020 Annual Technical Conference & Exhibition in Los Angeles, California, with recognition at the Society's Annual Awards Gala.

Louis F. Wolf Jr. Memorial Scholarship

The Louis F. Wolf Jr. Memorial Scholarship offers \$5,000 toward the cost of tuition at the student's educational institution. The scholarship is open to SMPTE student members who are full-time undergraduate students enrolled in an accredited two- or four-year college or university. Applicants must be majoring in a program emphasizing the engineering, science, advanced technologies, or fundamental theories associated with motion imaging, sound, metadata, and workflows consistent with SMPTE's field of interest. Each must have completed a minimum of four courses toward said major in good academic standing.

Deadline for Both Opportunities is Monday, 11 May
