

Fall Intensive IP Networking Professional Boot Camp

November 2024 - January 2025

Don't miss your chance to join our IP Networking Boot Camp with a specialized focus on SMPTE ST 2110. The program has been designed to support organizations who plan to transition to a full live IP Production environment. Due to high demand for the summer session, we are opening a fall session.

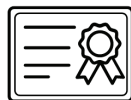

Three Specialized Courses

- Intro to IP Networks (**NEW**)
- Designing IP Networks (**NEW**)
- Understanding SMPTE ST 2110 (**Updated**)

Open Sessions where you can interact with industry experts.

Earn your IP Networking certificate with a focus on SMPTE ST 2110.

Limited to 50 participants.
