

APRIL | 2026

Vol. 135 No. 2

MII

MOTION IMAGING JOURNAL

INSIDE:

- » The Media eXchange Layer (MXL): Streamlining Multi-Vendor Live Video
- » A Performance Measurement Study of Open Internet Contribution Protocols
- » Data is Not a Byproduct—It's the Product: Applying Data-as-a-Product Thinking in Media & Entertainment
- » Integrating a Stream Transformation Engine in the Distribution Pipeline for Next-Gen Streaming Efficiency
- » Preserve HDR Creative Intent with Ambient Viewing Environment Metadata

STREAMING

Smarter Data. Stronger Streams.

Advancing multi-vendor live video,
performance measurement, and
intelligent stream transformation
