

# Summer Intensive IP Networking Professional's Boot Camp

June 11 - August 31 2026

Our IP Networking Boot Camp is back this summer—don't miss it. Once again, it features a specialized focus on SMPTE ST 2110. The program has been designed to support organizations who plan to transition to a full live IP Production environment.

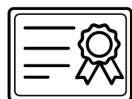

Three Specialized Courses

- Intro to IP Networks (**NEW**)
- Understanding SMPTE ST 2110 (**Updated**)
- Designing IP Networks (**NEW**)

Open Sessions where you can interact with industry experts.

Earn your IP Networking certificate with a focus on SMPTE ST 2110.

SMPTE Members:\$799  
Non-Members:\$999

**Register Now!**
